Soft Skills :   Problem-Solving, Time Management, Listening Skills

EXPERIENCE

MERN Stack Intern   Jan 2024 - March 2024
InternsElite Edutech Private Limited   *Gurgaon, Haryana*

- Developed a web application for personalized to-do lists. Implemented user authentication, allowing users to create accounts, log in, and manage their own tasks.
- Developed a web application for user authentication. Admin approval is required after user signup. Approved users can log in, while unapproved users are restricted. .

PROJECTS

ToDo App. Developed a web application using the MERN stack (MongoDB, Express.js, React.js, and Node.js). Users can create an account, log in, and manage their own to-do items. Each user's to-do list is unique and accessible only after successful login. (Try it here)

Auth App. Developed a web application using the MERN stack (MongoDB, Express.js, React.js, and Node.js) for user authentication. Admin approval is required after user signup. Approved users can log in, while unapproved users are restricted. (Try it here)
